Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated financial statements of **Active Infrastructures Limited (Formerly Active Infrastructures Private Limited) CIN-L45200MH2007PLC174506** ("hereinafter referred to as the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March 2026, and the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid Consolidated financial statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2026, and their consolidated profit (including other comprehensive loss), consolidated changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the audit of the Consolidated financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated financial statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current year. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

A. Inventories –

The Key Audit matters	How our audit addressed the key audit matter / Auditor's Response
Assessment of net realizable value (NRV) of inventories on construction of residential/ commercial units comprising ongoing and completed projects, initiated but un-launched projects and land stock, represents a significant portion of the Company's total assets.	Our audit procedures to assess the net realizable value (NRV) of inventories included and were not limited to the following: • Enquiry with the Company's personnel to understand the basis of computation and justification for the estimated recoverable amounts of the unsold units ("the NRV assessment"); • Considered the ready reckoner / stamp duty valuation rates for land and construction thereof considering the location of the projects. • Considered market rates prevailed during the year for land and construction thereof based on the location of the projects, based on available information. • Obtained and reviewed the management assessment of the NRV including judgement and estimates applied in valuations. • Performed subsequent event procedures upto the date of the audit report

Information Other than the Financial Statements and Auditor's Report

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and auditor's reports thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibilities for the Consolidated Financial Statements

The accompanying consolidated financial statements have been approved by the Holding Company' Board of Directors. The Holding Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these Consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Boards of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the Consolidated financial statements, the respective Boards of Directors of the companies included in the Group are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Boards of Director either intends to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

Those respective Board of Directors are also responsible for overseeing the financial reporting process of the companies included in the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to

provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities or business activities included in the Consolidated Financial Statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. The consolidated financial statements of the Company for the year ended 31 March 2025 were audited by the predecessor auditor, V S Jhakotiya, who have expressed an unmodified opinion on those consolidated financial statements vide their audit report dated 23th May 2025.
2. We did not audit the Financial Statements of 2 subsidiaries whose financial statements reflect total assets of **Rs. 6628.96 lakhs** as at 31st March, 2026, total revenue of **Rs. 5,473.98 lakhs** and net cash outflow amounting to **Rs. 59.61 lakhs** for the year ended on that date. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the other subsidiary company, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiary companies, is based solely on the reports of the other auditors.

Further we did not audit the Financial Statements of 2 subsidiary LLP whose financial statements reflect total assets of **Rs. 6117.73 lakhs** as at 31st March, 2026, total revenue of **Rs. Nil lakhs** and net cash inflow amounting to **Rs. 16.04 lakhs** for the year ended on that date. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the other subsidiary company, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiary companies, is based solely on the reports of the other auditors

Our opinion on the consolidated financial statements, and our report on Other Legal and regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

 - (f) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiary companies and the operating effectiveness of such controls, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of such subsidiary companies, to the extent applicable, as noted in the 'Other Matter' paragraph, refer to our separate report in "**Annexure A**" to this report;
 - (g) In our opinion and based on the consideration of reports of other statutory auditors of the subsidiaries, the managerial remuneration for the year ended March 31, 2026 has been paid / provided by the Holding Company and its subsidiaries to their directors in accordance with the provisions of section 197 read with Schedule V to the Act;

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries, as noted in the 'Other matter' paragraph:
- i. The Group does not have any pending litigations which would impact its financial position as on 31st March 2026.
- ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Group.
- iv.
- a. The respective management of the Holding Company and its subsidiary companies, incorporated in India whose financial statements/financial information have been audited under the Act have represented to us and the other auditors of such subsidiary companies respectively that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by) by the Holding Company of any such subsidiary companies to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b. The respective management of the Holding Company and its subsidiary companies, incorporated in India whose financial statements/financial information have been audited under the Act have represented to us and the other auditors of such subsidiary companies respectively that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and performed by the auditors of the subsidiary companies, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. As stated in Note 40(11) of consolidated financial statements,
- a. The final dividend proposed in the previous year, declared and paid by the Holding Company during the year is in accordance with Section 123 of the Act, as applicable.
- b. The Board of Directors of the Holding Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
- vi. Based on our examination which included test checks and consideration of the other auditor (s) on separate financial statements, the Group has used accounting software's for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention. Further, the reporting requirements relating to audit trail under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 are not applicable to the LLPs included in the Group.
2. As required by clause (xxi) of paragraph 3 of Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act based on the consideration of the Order reports issued by us and by the respective other auditors as mentioned in other matter paragraph , of companies included in the consolidated financial statements and covered under the Act we report that there are no qualifications or adverse remarks reported in the respective Order reports of such companies.

Annexure A to the Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Active Infrastructures Limited (Formerly Active Infrastructures Private Limited) of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Active Infrastructures Limited (Formerly Active Infrastructures Private Limited) (hereinafter referred to as the "Holding Company") as of and for the year ended March 31, 2026, we have audited the internal financial controls with reference to these consolidated financial statements of the Holding Company and its subsidiaries (the Holding Company and its subsidiaries together referred to as the "Group"), which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the companies included in the Group and its associates, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Control Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI") and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to these consolidated financial statements included obtaining an understanding of internal financial controls with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to these consolidated financial statements.

Meaning of Internal Financial Controls with reference to these Consolidated Financial Statements

A company's internal financial control with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to these consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group, which are companies incorporated in India, have, maintained in all material respects, adequate internal financial controls with reference to these consolidated financial statements and such internal financial controls with reference to these consolidated financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

1. Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statement, in so far as it relates to 2 subsidiary companies which are incorporated in India, is based on the corresponding reports of the auditor of such companies.
2. Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of internal financial controls with reference to consolidated financial statements, insofar as it relates to the 2 subsidiary LLPs included in the Group, is not applicable since the said entities are Limited Liability Partnerships and are not companies incorporated under the Companies Act, 2013. Accordingly, reporting on internal financial controls with reference to financial statements in respect of such entities does not fall within the scope of our audit under Section 143(3)(i) of the Act.

Our opinion is not modified in respect of the above matter with respect to our reliance on the internal financial controls with reference to financial statements reports certified by the management.

NOTE 2: Statement on Significant Material Accounting Policies

The significant Material accounting policies applied by the Holding company, its subsidiaries and its associates in the preparation of its Consolidated financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these Consolidated financial statements, unless otherwise indicated.

1. Statement of Compliance:

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

2. Basis of Preparation of Financial Statements:

These Consolidated financial statements have been prepared in Indian Rupee (Rs. In lakhs) which is the functional currency of the group.

The Consolidated financial statements have been prepared under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair values by Ind AS and inventories at Cost or NRV whichever is lower. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in orderly transaction between market participants at the measurement date.

3. Principles of Consolidation:

The Consolidated financial Statements relate to Active Infrastructures Limited (formerly known as Active Infrastructures Private Limited) ('The Holding Company'), its subsidiaries (where its ownership is more than 50%) and associate (where its ownership is less than 50% but more than 20%). The Consolidated Financial Statements have been prepared on the following basis:

ACTIVE INFRASTRUCTURE LIMITED
(Formerly Active Infrastructure Private Limited)

CIN-L45200MH2007PLC174506

Notes forming part of the Consolidated Financial Statements
For the year ended 31st March, 2026

i) The financial statements of the Holding company, its subsidiaries have been combined on a line-by-line basis by adding together book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions in accordance with the Indian Accounting Standard. Further holding company recognizes its share of the associate's profit or loss in its consolidated financial statements. (Ind AS) 110 - "Consolidated Financial Statements."

ii) The consolidated financial statements have been prepared using uniform accounting policies for the like transactions and other events in similar circumstances and are presented in the same manner as the group's separate financial statements except revenue recognition. Revenue recognition policy of the Holding company and its subsidiaries Achievers Ventures Private Limited and Digvijay Shradha Infrastructure Private Limited is different and that is set out under this Note 2.5. No adjustments has been done in accounting in order to use uniform revenue accounting policy as it is not practicable in preparing the consolidated financial statements.

iii) The difference between the cost of investment in the subsidiaries, over the net assets at the time of acquisition of shares in the Subsidiaries is recognized in the financial statements as Goodwill or Capital Reserve, as the case may be.

iv) The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as of the date of disposal is recognized in the consolidated Profit and Loss Statement being the profit or loss on disposal of investment in subsidiary.

v) The share of non-controlling interest in net profit of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the group.

vi) Share of non-controlling interest in net assets of consolidated subsidiaries is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the group's shareholders.

vii) As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in same manner as the group's separate financial statements. The Subsidiaries and LLPs considered in the preparation of these consolidated financial statement are:

Solus Ventures LLP	More Than 50% share (Of wholly owned subsidiary) in LLP	67%	67%

4. Use of Estimates:

In preparation of the financial statements, the group makes judgments, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Significant judgments and estimates relating to the carrying values of assets and liabilities include useful lives of property, plant and equipment and intangible assets, impairment of property, plant and equipment, intangible assets and investments, provision for employee benefits and other provisions, recoverability of deferred tax assets, commitments and contingencies.

5. Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the group and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. Accordingly, it is excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognized.

i. Recognition of revenue from real estate projects

Revenue is recognized upon transfer of control of commercial units to customers, in an amount that reflects the consideration the group expects to receive in exchange for those commercial units. The group shall determine the performance obligations associated with the contract with customers at contract inception and also determine whether they satisfy the performance obligation over time or at a point in time. In case of commercial units, the group satisfies the performance obligation and recognizes revenue at a point in time i.e., upon handover of the commercial units.

ACTIVE INFRASTRUCTURE LIMITED
(Formerly Active Infrastructure Private Limited)
CIN-L45200MH2007PLC174506
Notes forming part of the Consolidated Financial Statements
For the year ended 31st March, 2026

ii. Recognition of revenue from Infrastructure projects

Revenue is recognized upon satisfaction of stipulated milestones specified in the contract with customers. The amount of revenue recognized reflects the consideration expected to be received in exchange of satisfaction of performance obligations. The company determines the performance obligations associated with the contract at the beginning and decides whether they are satisfied over time or at a specific point in time. For turnkey projects, revenue is recognized at a specific point in time, which is the satisfaction of stipulated milestones specified in the contract with customers.

iii. Recognition of revenue from Turn-key Projects:

Revenue is recognized upon satisfaction of stipulated milestones specified in the contract with customers. The amount of revenue recognized reflects the consideration expected to be received in exchange of satisfaction of performance obligations. The company determines the performance obligations associated with the contract at the beginning and decides whether they are satisfied over time or at a specific point in time. For turnkey projects, revenue is recognized at a specific point in time, which is the satisfaction of stipulated milestones specified in the contract with customers.

iv. Recognition of Revenue from sale of civil material

Revenue from product sale are recognized when risks and rewards gets transferred to the buyer and stated net of returns, Goods & Services Tax and applicable trade discounts and allowances.

v. Dividend income:

Revenue is recognized when the shareholders' or unit holders' right to receive payment is established, which is generally when shareholder approve the dividend.

vi. Interest income

Interest income, including income arising from other financial instruments, is recognised using the effective interest rate method.

6. Property, Plant and Equipment:

Property, plant and equipment are stated at their cost of acquisition/construction, net of accumulated depreciation and impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use and initial estimate of decommissioning, restoring and similar liabilities. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. This applies mainly to components for machinery. When significant parts of plant and equipment are required to be replaced at intervals, the group depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant

ACTIVE INFRASTRUCTURE LIMITED

and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. Borrowing costs directly attributable to acquisition of property, plant and equipment which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the property, plant and equipment is derecognized.

Expenditure directly relating to construction activity is capitalized. Indirect expenditure incurred during construction period is capitalized to the extent to which the expenditure is indirectly related to construction or is incidental thereto. Other indirect expenditure (including borrowing costs) incurred during the construction period which is not related to the construction activity nor is incidental thereto is charged to the statement of profit and loss.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets.

7. Depreciation on Property Plant & Equipment:

Depreciation on property, plant and equipment provided as per cost model on Written down value basis over the estimated useful lives of the asset as follows:

A. Plant and machinery - Civil construction

(i). Concreting, Crushing, Piling Equipment: 12 Years

(ii). Earth-moving equipment: 9 Years

B. Computers: 3 years

C. Vehicles: 8 Years

D. Building: 3 Years

E. Lab Equipment: 10 Years

F. Furniture: 10 Years

G. Office Equipment: 5 Years

Based on technical evaluation, the management believes that the useful lives given above best represents the period over which the management expects to use the asset.

ACTIVE INFRASTRUCTURE LIMITED
(Formerly Active Infrastructure Private Limited)
CIN-L45200MH2007PLC174506

Notes forming part of the Consolidated Financial Statements
For the year ended 31st March, 2026

Hence the useful lives of the assets are same as prescribed under Part C of schedule II of Companies Act, 2013.

The estimated useful life of the assets is reviewed at the end of each financial year. The residual value of Property, plant and equipment considered as 5% of the original cost of the asset. Depreciation on the assets added / disposed of during the year is provided on pro-rata basis with reference to the month of addition / disposal.

8. Impairment (other than Financial Instruments)

At each balance sheet date, the group reviews the carrying values of its property, plant and equipment and intangible assets to determine whether there is any indication that the carrying value of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss (if any).

Where the asset does not generate cash flows that are independent from other assets, the group estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. An impairment loss is recognized in the statement of profit and loss as and when the carrying value of an asset exceeds its recoverable amount.

Where an impairment loss subsequently reverses, the carrying value of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount so that the increased carrying value does not exceed the carrying value that would have been determined had no impairment loss been recognized for the asset (or cash generating unit) in prior years. The remaining reversal of an impairment loss is recognized in the statement of profit and loss immediately.

9. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets and Financial Liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

ACTIVE INFRASTRUCTURE LIMITED
(Formerly Active Infrastructure Private Limited)
CIN-L45200MH2007PLC174506

Notes forming part of the Consolidated Financial Statements
For the year ended 31st March, 2026

The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognized in the statement of profit and loss.

Effective interest method

The effective interest method is a method of calculating the amortized cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

(a) Financial Assets:

Cash and Bank Balances:

- (i) Cash and cash equivalents - which includes cash in hand, deposits held at call with banks and other short-term deposits which have maturities of less than one year from the date of such deposits.
- (ii) Other bank balances - which includes balances and deposits with banks that are restricted for withdrawal and usage.

Financial assets at amortized cost:

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at Fair Value:

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Group in respect of equity investments (other than in subsidiaries, associates and joint ventures) which are not held for trading has made an irrevocable election to presentation other comprehensive income subsequent changes in the fair value of such equity instruments. Such an election is made by the Company on an instrument-by-instrument basis at the time of initial recognition of such equity investments.

Financial asset not measured at amortized cost or at fair value through other comprehensive income is carried at fair value through the statement of profit and loss.

ACTIVE INFRASTRUCTURE LIMITED
(Formerly Active Infrastructure Private Limited)
CIN-L45200MH2007PLC174506
Notes forming part of the Consolidated Financial Statements
For the year ended 31st March, 2026

Impairment of financial assets

Loss allowance for expected credit losses is recognized for financial assets measured at amortized cost and fair value through other comprehensive income. The Group recognizes life time expected credit losses for all trade receivables that do not constitute a financing transaction.

For financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognized. Loss allowance equal to the lifetime expected credit losses is recognized if the credit risk on the financial instruments has significantly increased since initial recognition.

De-recognition of financial assets

The Group de-recognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

(b) Financial Liabilities and Equity Instruments:

Classification as debt or equity

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the group after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortized cost, using the effective interest rate method where the time value of money is significant.

Interest bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortized cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognized over the term of the borrowings in the statement of profit and loss.

De-recognition of financial liabilities

The Company de-recognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

Reclassification of financial assets

The company determines classification of financial assets and liabilities on initial recognition. After initial recognition of financial assets and financial liabilities, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The group's senior management determines change in the business model as a result of external or internal changes which are significant to the group's operations.

Such changes are evident to external parties. A change in the business model occurs when the group either begins or ceases to perform an activity that is significant to its operations. If the group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The group does not restate any previously recognized gains, losses (including impairment gains or losses) or interest.

The following table shows various reclassification and how they are accounted for:

Original classification	Revised classification	Accounting treatment
Amortised cost	FVTPL	Fair value is measured at reclassification date. Difference between previous amortized cost and fair value is recognised in P&L.
FVTPL	Amortised Cost	Fair value at reclassification date becomes its new gross carrying amount. EIR is calculated based on the new gross carrying amount.
Amortised cost	FVTOCI	Fair value is measured at reclassification date. Difference between previous amortised cost and fair value is recognised in OCI. No change in EIR due to reclassification.
FVTOCI	Amortised cost	Fair value at reclassification date becomes its new amortised cost carrying amount. However, cumulative gain or loss in OCI is adjusted against fair value. Consequently, the asset is measured as if it had always been measured at amortised cost.
FVTPL	FVTOCI	Fair value at reclassification date becomes its new carrying amount. No other adjustment is required.
FVTOCI	FVTPL	Assets continue to be measured at fair value. Cumulative gain or loss previously recognized in OCI is reclassified to P&L at the reclassification date.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

10. Inventory

Inventories are stated at the lower of weighted average cost and net realizable value. Costs comprise direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition. Net realizable value is the price at which the inventories can be realized in the normal course of business after allowing for the cost of conversion from their existing state to a finished condition and for the cost of marketing, selling and distribution.

11. Cash and cash equivalents:

Cash and cash equivalents comprise cash at bank and in hand and short-term investments with a balance maturity of three months or less.

12. Income Taxes:

A. Current Tax

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

B. Deferred Tax

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying values of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognized for all taxable temporary differences. In contrast, deferred tax assets are only recognized to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilized. Current and deferred tax are recognized as an expense or income in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognized in other comprehensive income or directly in equity.

13. Provisions:

A provision is recognized when the Company has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Notes forming part of the Consolidated Financial Statements
For the year ended 31st March, 2026

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or reliable estimate of the amount cannot be made, is also termed as contingent liability. A contingent asset is neither recognized nor disclosed in the financial statements.

14. Employee Benefits

Short term employee benefits are recognized on an accrual basis.

Defined Benefit Plans:

Gratuity, which is a defined benefit plan, is accrued based on an independent actuarial valuation, which is done based on project unit credit method as at the balance sheet date. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability / (asset) are recognized in other comprehensive income. In accordance with Ind AS, re-measurement gains and losses on defined benefit plans recognized in OCI are not to be subsequently reclassified to statement of profit and loss. As required under Ind AS compliant Schedule III, the Company transfers it immediately to retained earnings.

15. Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per shares is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per shares and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

Note 34 : Financial risk management

The Company's activities expose it to the following risks:

Credit risk

Interest risk

Liquidity risk

A Credit risk

Credit Risk is the risk that counter party will not meet its obligations under a financial instruments or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and unbilled revenue) and from its financing activities including deposits with banks and financial institutions, investments, foreign exchange transactions and other financial instruments.

i Trade receivables

Credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored.

The impairment analysis is performed at each reporting date on an individual basis for clients. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security.

Credit risk exposure

The Company's credit period generally ranges from 30 – 60 days are as below.

(Rs. in lakhs)		
Particulars	As at 31st March 2026	As at 31st March 2025
Trade receivables	4,993.50	5,209.83
Inventory-WIP	6,094.03	4,112.01
Total	11,087.52	9,321.84

The Company evaluates the concentration of risk with respect to trade receivables as low as they are spread across multiple geographies and multiple industries.

ii Financial instruments and deposits with banks

Credit risk is limited as we generally invest in deposits with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies. Counterparty credit limits are reviewed by the Company periodically and the limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

B Interest risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company having non current borrowing in the form of Term Loan . Also, the Company is having current borrowings in the form of working capital facility and Inter Corporate Loans. There is a fixed rate of interest in case of Inter corporate loans and Suppliers Credit hence and term loans there is no interest rate risk associated with these borrowings. The Company is exposed to interest rate risk associated with working capital facility due to floating rate of interest.

The table below illustrates the impact of a 0.5% increase in interest rates on interest on financial liabilities assuming that the changes occur at the reporting date and has been calculated based on risk exposure outstanding as of date. The year end balances are not necessarily representative of the average debt outstanding during the year.

Interest rate risk Exposure

The exposure of company's borrowing to interest rate changes at the end of reporting period are as follows:

Particulars	As at 31st March 2026	As at 31st March 2025
Variable rate borrowings-non current	3,547.36	405.49
Variable rate borrowings-current	4,475.85	5,177.30
Total	8,023.21	5,177.30

C Liquidity risk

Liquidity is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company believes that the cash and cash equivalents is sufficient to meet its current requirements. Accordingly no liquidity risk is perceived.

The break-up of cash and cash equivalents, deposits and investments is as below.

Particulars	As at 31st March 2026	As at 31st March 2025
Cash and cash equivalent	823.70	6,156.47
Bank balance other than cash and cash equivalent	1,432.80	62.45
Total	2,256.50	6,218.92

Note 35 : Financial instruments

The fair value of the financial assets are included at amounts at which the instruments could be exchanged in a current transaction between willing parties other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair value:

- Fair value of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, approximate their carrying amounts largely due to the short-term maturities of these instruments.
- Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, if require, allowances are taken to account for the expected losses of these receivables.

Note 37 : Employee benefit Expenses

(Rs.In lakhs)

The Company operates an unfunded defined benefit gratuity plan for its employees. Under the gratuity plan, every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Notes :

1. Liabilities are very sensitive to discount rate, salary inflation and withdrawal rate.
2. Liabilities are very less sensitive due to change in mortality assumptions. Hence, sensitivities due to change in mortality are ignored.

Impact of New Labour Code

On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has considered restructured compensation of its employees with effect from April 1, 2026, and assessed the impact of the changes, consistent with the Labour Codes, draft rules, FAQs etc.. Considering the materiality and regulatory-driven, nature of this impact, the Company has accounted for this impact in the employee benefit expenses in the statement of profit or loss for the year ended March 31, 2026. The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.

Note 38: Fair value hierarchy

Level 1: - Quoted price (unadjusted) in active markets for identical assets or liabilities

Level 2 - Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 – Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

The cost of unquoted investments included in Level 3 of fair value hierarchy approximate their fair value because there is a wide range of possible fair value measurements and the cost represents estimate of fair value within that range

Note 39: Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximise the shareholder value. The Company's capital management objectives are to maintain equity including all reserves to protect economic viability and to finance any growth opportunities that may be available in future so as to maximise shareholders' value. The management and the board of directors monitors the return on capital as well as the level of dividends to the shareholders. The Company manages its capital structure and makes adjustments in light of changes in economic conditions.

Subsequently, the concerned government authority cancelled the said tender. Despite repeated follow-ups, Infrasion Construction Private Limited has not refunded the amount. Accordingly, the company has filed an FIR against Infrasion Construction Private Limited in this regard. While the management is confident of recovery of the aforesaid amount, as a matter of prudence, a provision has been recognised during the current year. Consequently, "Other Expenses" are higher to that extent.

- 16) During FY 24-25, certain road construction works undertaken by the Subsidiary Company Digvijay Shradha Infrastructure Private Limited had suffered significant damage as a result of exceptionally heavy rainfall and flooding conditions. The damage included erosion and washout of pavement layers, cementitious materials, and bituminous surfaces. The Company had lodged an insurance claim in respect of the losses arising from the above incident. During FY 25-26, the claim was assessed and settled by the insurer, and the insurance proceeds were received by the Company. The insurance recovery has been recognized under "Other Income" in the financial statements in accordance with the applicable accounting standards. Accordingly, the amount of Other Income for the year includes the aforesaid insurance claim proceeds and is higher to that extent. Users of the financial statements may consider this as a non-recurring item while evaluating the Company's operational performance and year-on-year comparability of earnings.
